The objectives of the Code are to further raise standards of service and promote consumer confidence in the general insurance industry. Further information about the Code and Your rights under it is available at www.codeofpractice.com.au and on request.

Financial Claims Scheme

We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act is designed to ensure that, under all reasonable circumstances, financial promises made by Us are met within a stable, efficient and competitive financial system.

Because of this We are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act 2001 (Cth). We have compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that We were to become insolvent and were unable to meet Our obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. Please refer to <https://www.fcs.gov.au> for more information.

Important Information About This PDS

This document is a PDS and is also Our insurance Policy Wording. This document contains important information required under the Corporations Act 2001 (Cth) and has been prepared to assist You in understanding Chubb Travel Insurance Annual Multi-Trip and making an informed choice about Your insurance requirements.

It is up to You to choose the cover You need. It is important that You carefully read and understand this document before making a decision.

This PDS is comprised of two contracts:

- The first contract provides cover to pay or reimburse You the non-refundable unused portion of all travel costs prepaid in advance plus a travel agent's cancellation fee for the cancellation of Your Trip before the start of Your Trip under Benefit Section 13 - Trip Cancellation or Postponement.
- The second contract provides indemnity for the balance of cover (all other benefits including optional add-on benefits if applicable). For the purpose of this PDS, and all accompanying materials, the two contracts will be referred to and considered as one Policy document. All other provisions apart from the coverage sections apply to both contracts.
- Your Certificate of Insurance also forms part of Your Policy.

Ensure You understand when We will respond to a claim

To ensure You understand when We will respond to a claim, You should carefully read:

- the Summary of Benefits & Exclusions section including the Summary of Benefits table, on pages 11-19;
- each Benefit Section, including 'We will pay', exclusions under 'We will not pay' and any 'Terms and Conditions' applicable, on pages 20-35;
- the General Exclusions and General Conditions, on pages 33-35;
- the Definitions section that set out the meaning of certain words throughout the PDS, on pages 43-48;
- the Pre-existing Medical Conditions shown on the Approved Medical Conditions table, on pages 8-9, and the definition for 'Pre-existing Medical Conditions' on page 47; and
- Your Certificate of Insurance.

After You have purchased Your Policy please ensure You:

- check Your documents to make sure that all the information in them is correct;
- let Us know straight away if any alterations are needed or if You change Your address or payment details;
- keep this document, Your Certificate of Insurance and any other documents that We tell You form part of Your Policy in a safe place in case You need to refer to them in the future;
- have receipts and other documentary evidence available to provide Us in support of assessment of Your claim for certain types of cover under the Policy, We will require You to provide receipts and other documentary evidence to Us before We pay a claim. You should keep those documents in a safe place.

The Meaning Of Certain Words

Throughout this document, certain words begin with capital letters. These words have special meaning as set out in the Definitions section, on pages 43-48 of this PDS.

Any reference to an Act, legislation or legislative instrument in this PDS also refers to that Act, legislation or legislative instrument as amended and as may be in force from time to time.

Duty of Disclosure

Your Duty of Disclosure

Before You enter into this contract of insurance, You have a duty of disclosure under the Insurance Contracts Act 1984.

The duty applies until We first agree to insure You, and where relevant, until We agree to any subsequent variation, extension, or reinstatement (as applicable).

Answering Our questions

In all cases, if We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

Renewal

Where we offer You renewal, We may, in addition to or instead of asking specific questions, give You a copy of anything You have previously told Us and ask You to tell Us if it has changed. If We do this, You must tell Us about any change or tell Us that there is no change.

If You do not tell Us about a change to something You have previously told Us, You will be taken to have told Us that there is no change.

Variations, extensions and reinstatements

For variations, extensions and reinstatements, You have a broader duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

What You do not need to tell Us

You do not need to tell Us anything that:

- reduces the risk We insure You for; or
- is common knowledge; or
- We know or should know as an insurer; or
- We waive Your duty to tell Us about.

If You do not tell Us something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

There is also cover for tourist activities provided by a recognised tour operator or commercial operator providing that You are acting under the guidance and supervision of qualified guides/instructors, where relevant, whilst carrying out such activities (e.g. theme park rides or bungee jumping).

You need to be aware of the following general exclusions:

General exclusion 10 excludes any claim that arises from You or Your Travel Companion not taking all reasonable efforts or Your carelessness, negligence or recklessness to avoid Your Accidental Injury.

General exclusion 17 is related to air travel which means we exclude claims directly or indirectly related to activities and sport that involve air travel to participate in such as gliding or sky diving (but not hot air ballooning when carried out by a licensed operator).

Summary of Benefits and Exclusions

This section contains a helpful summary about Chubb Travel Insurance.

Please note that it is a limited summary only. It does not form part of Your Policy and it cannot be relied on as a full description of the cover provided.

Although We have tried to draw important features of the PDS to Your attention, each benefit section is subject to terms, conditions, exclusions and limitations not listed in the summary.

Please note that other documents that make up the Policy such as the Certificate of Insurance may also amend the standard terms, conditions and exclusions contained in this PDS.

What We Pay

Maximum sum insured amounts apply, as set out in the Summary of Benefits table. The benefit sum insured applies on a per Adult basis unless otherwise stated. Children share the sum insured with Adults. Where specified, sub-limits also apply.

The term 'Unlimited' only means there is no specified dollar sum insured and does not relate to the terms, conditions and exclusions. Policy terms do apply limits on what We will pay for such benefits.

Exclusions

This Policy provides cover for many unexpected and unforeseen Events and emergencies but We don't cover everything.

There are exclusions that apply to all benefit sections (see General Exclusions, pages 35-36) and there may be additional exclusions and terms and conditions for specific benefit sections, these are listed under 'What is Not Covered' and 'Terms and Conditions' in the relevant section.

You should ensure that You understand all the exclusions under Your Policy but here is a summary of some of the key ones when You will not be covered if it is a factor in why You are a making a claim:

- You don't take all reasonable efforts to look after Your belongings including if You leave Your belongings Unattended, see general exclusion 10 and 'What is Not Covered' under benefit sections 22, 23, 29(a), 30(a), 31(b) and 32(a);
- You don't take all reasonable efforts to avoid any injury, see general exclusion 10;
- any errors or omissions in any booking arrangements by You, Your travel agent or any other person acting on Your behalf, including the failure to obtain the relevant Travel Documents for Your Trip, see general exclusion 15.

Things that are medically related

- You undertake travel against the advice of a Doctor, for seeking medical treatment or after You have been diagnosed with a Terminal Illness, see general exclusion 11.
- You or Your Travel Companion having a Pre-existing Medical Condition unless it is an Approved Medical Condition, see general exclusions 12.
- due to Your or Your Travel Companion's childbirth or pregnancy. The only time where this exclusion does not apply is when the claim relates to an unexpected medical complication or caused by Accidental Injury or Sickness, see general exclusion 13.

Things that you do or participate in

- Your engagement in Manual Work, see general exclusion 19.
- Your participation in Winter Sports Backcountry/Off-piste or Extreme Sports and Activities, see general exclusion 21.

General Conditions

Premium

We take a number of factors into account when calculating Your premium which could include but not limited to Your risk profile, the geographical region and plan You have chosen and other information You provide to Us when applying for this insurance.

Factors that increase the risk to Us generally increase the premium (e.g. where You apply to be covered under the plan with the highest level of cover) and those that lower the risk reduce premium payable (e.g. where You are applying to be covered under Domestic geographic region).

Your premium includes any amounts payable that take into account Our obligation (actual or estimated) to pay any relevant compulsory government charges, taxes or levies (including stamp duty and GST) in relation to the Policy.

We will tell You, when You apply, what premium is payable, when it needs to be paid and how it can be paid.

This is an annual policy. We may change Your premium at renewal if We notify You of the change prior to that date.

Significant Tax Implications

Generally, Your premiums are not tax deductible and claims payments are not assessable income for tax purposes unless You purchase Your Policy for business purposes. This tax information is a general statement only. See Your tax adviser for information about Your personal circumstances.

Goods and Services Tax

Where You are a registered entity You may be entitled to an input tax credit for Your premium and/or for things covered by this Policy. You must disclose these entitlements to Us if You make a claim under Your Policy.

If We agree to pay a claim under Your Policy, We will base any claim payment on the Goods and Services Tax (GST) inclusive costs (up to the relevant policy limit). However, We will reduce any claim payment by an input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this Policy.

Fourteen (14) Day Money Back Guarantee - Cooling Off Period

You have fourteen (14) days from the date We confirmed, electronically or in writing, that You are covered under Your Policy to decide if this insurance meets Your needs.

You may cancel Your Policy simply by advising Us in writing within those fourteen (14) days to cancel it. If You do this We will refund any premiums You have paid during this period.

These cooling off rights do not apply if You have commenced the Trip or You have made or You are entitled to make a claim during this period.

Cancellation of Your Policy

Your Policy may be cancelled in one of two (2) ways:

1. *When You can cancel*

You can cancel Your Policy at any time by telling Us in writing. The cancellation will take effect at 4pm Australian Eastern Standard Time the day We receive Your written cancellation. We will refund the premium for Your Policy less an amount which covers the period for which You were insured. However, We do not refund any premium if We have paid a benefit under Your Policy.

2. *When We can cancel*

We may cancel Your Policy by giving You written notice to the address on file and in accordance with the Insurance Contracts Act 1984 (Cth), including where You:

- a) breach the Duty of Disclosure;
- b) breach a provision of Your Policy;
- c) make a fraudulent claim under any policy of insurance;

If We cancel, We will refund the premium for Your Policy less an amount to cover the period for which You were insured.

Renewal of Your Policy

This insurance may be renewed for further consecutive yearly periods upon payment of the premium. Payment of Your premium is deemed to be acceptance of an offer of renewal for a further Period of Insurance. If You continue to pay Your premium, then unless Your Policy is cancelled or We advise You prior to the End Date of Your current Period of Insurance that We will not be renewing, a policy on the same terms and conditions automatically comes in to existence for one (1) year from the End Date.

Your Policy is not able to be renewed once You are eighty (80) years of age or older on the End Date of Your current Period of Insurance.

Expiry of Your Policy

Your Policy expires at the end of the Period of Insurance. We may decide not to renew Your Policy. If We decide not to renew Your Policy, We will send You an expiry notice at least fourteen (14) days before the expiry of Your Policy.

If Your Policy is cancelled or otherwise terminated, the Period of Insurance will be from the Issue Date of Your current Period of Insurance, up to and including the date of cancellation or termination.

Australian Law and Currency

Your Policy is governed by the laws of the State or Territory of Australia in which You normally reside. Any dispute or action in connection with Your Policy shall be conducted and determined in the courts of the State or Territory of Australia in which You normally reside.

All payments by You to Us and Us to You or someone else under Your Policy must be in Australian currency.

If expenses are incurred in a foreign currency, then the rate of currency exchange used to calculate the amount payable in Australian Dollars (AUD) will be the rate at the time You incur the expense or suffer the loss.
